- NoSQL

EDUCATION

2017

EARL WARREN HIGH SCHOOL
High School

2023

SOUTHERN CAREERS INSTITUTE
Trade School

GOAL

My goal is to develop a dynamic and interactive web application by utilizing the power of Node.js, JavaScript, HTML, CSS, and SQL. This goal encompasses the use of these technologies to create a robust and efficient application that meets the needs of users and delivers a seamless user experience. My passion is in troubleshooting, debugging, and analyzing website issues, and I am known for my ability to provide innovative ideas and best practices.

EXPERIENCE
